Dear Members,

Last year we headed for the hills for the summer outing but this year you can stop practicing your yodeling skills and sharpen you tune for some sea shanties. We are back on the Maine coast at the renovated Samoset Resort in Rockport.

We've learned a few things over the years, and our team made a decision to keep golf on Friday. That allows everyone the chance to participate in activities Saturday and not feel rushed to make it the BBQ and dinner.

Maine Wine Events will provide another fabulous wine tasting with Mary Kate Cianchette. For outdoor adventurers, we added sea kayaking around Camden Harbor as an option. No fears, that happens well in advance of the wine tasting!

The tradition of a summer outing is growing for our Chapter. Many of you may know that when I attended a meeting of other Chapter leaders a few years ago my colleagues were amazed we continued holding a family style outing. Many regretted they had canceled their summer outing years ago.

Our event is more than just an outing; this will be our 16th year honoring a winner of the Major Achievement in Construction Award. The past winners have a tremendous legacy that not only impacted their firms, but the greater construction industry.

I look forward to seeing everyone that attends. Our team is ready to help make the weekend great for you and your guests. Let us know how we can help.

Enjoy,

AGC Maine Offers Networking Events for Everyone!

Connecting Members

AGC Maine is re-inventing networking. Gone are the days of rubber chicken dinners and bottle clubs. We are working to provide opportunities for everyone. Social hours, dinners, family events, even social networking. If it's connecting members, we are doing it, all over Maine. This year, we are holding 19 events from York County to Aroostook County. Let us know if someone is beating those numbers.

Business, Fun, and Networking, It's Real

Membership Meetings are a tradition at AGC Maine. We have 8 each year, including our annual meeting in January, Safety Awards, and Education Foundation Scholarship Night. Boring is a thing of the past.

The Summer Outing is the fastest growing family event. Besides celebrating the winner of the coveted Major Achievement in Construction Award, we also provide one of kind events, from the obstacle course challenge to wine tasting. The three-day event is packed full of activities - there is something for everyone.

The Build Maine Awards are a celebration of the best projects of the year. The event draws 300 contractors to the Augusta Civic Center during the Construction Expo. It is great way to kick off another construction season!

Coffee with Contractors is a morning event featuring guest speakers. We hold two each year, one in Portland and the other in Bangor.

Social Events, Strictly Networking and Fun

Shop Talk is our newest program. We hold the event someplace cool, at your company, or a local brew pub and talk shop for one hour after work. It is that simple.

Annual Tim White Fishing Tournament is a favorite of long-time AGCers. Hosted on Aroostook County's Long Lake at the famous Sporting Club.

AGC's Golf Classic is fun, competitive tournament with the best lunch deal in town...one lobster and one steak. A true surf and turf at Spring Meadows in Gray.

Fan favorite trips happen twice a year. It might be local sporting events like the Portland Sea Dogs and one trip away for major league events, like the Boston Celtics. Strictly fun, business meetings.
